

MUNICIPALITY OF CLAUZETTO

The eyes are lost in search of the sea horizon, in the wonderful view that the "balcony of Friuli" offers to those onlookers on clear air days. In the heart of the village is the church of S. Giacomo. During the Forgiveness function (end of May) the monumental staircase of 98 steps is climbed on knees by the penitents. In Pradis the Cosa stream over millions of years has eroded the rocks, creating a striking grotto and ravine open to the public.
