

PORDENONE
WITH LOVE

MUNICIPALITY OF PASIANO DI PORDENONE

Veneto villas were lived in by poets and nobility and are the setting for this community surrounded by nature and crossed by numerous watercourses. Still to be seen in their old splendour are the marvellous buildings that belonged to men of letters Carlo and Gaspare Gozzi and some of which hosted Giacomo Casanova and Gabriele D'Annunzio. The environmental complex of the mills and the hydroelectric power station is striking. The director Damiano Damiani is from these parts.
